## EXPERIENCE

**Worship:** Biltmore Worship will lead students throughout the weekend, creating space for them to pause, refocus their hearts on God, and respond together to who He is and what He is doing in their lives. **You can find the playlist [HERE](#).**

**Main Sessions:** During Main Sessions, all students will gather in the worship center for worship and to sit under the teaching of God's Word. After each session, students will have an opportunity to respond to what the Lord is doing in their hearts. Our Care Team will be available to pray with students and help them discern their next step of faith—whether that's learning more about who Jesus is, trusting in Jesus for salvation, pursuing baptism, or growing in repentance and obedience to Christ.

**Connect Groups:** Connect Groups are small groups of students led by student ministry approved adults designed to build relationships, share the Gospel message of Jesus Christ, and communicate God's Word. During Wake, students will have connect groups following each main session. Groups are organized by campus and grade, and will be separated into male and female groups.

*Your students assigned Connect Group will print on their sticker at check-in. No changes to groups will be made after assigned unless the student is a first time guest.*

**Breakouts:** Upon registration, your student has the opportunity to register for breakouts. The breakout they selected will print on their sticker at check-in. These breakouts are all designed to help students focus on and learn more about their purpose: being created for more.

- You Matter: Students will learn about the great worth and value God has placed on their lives - not because of anything they do, but because of who God is.
- Your Words Matter: The book of James tells us that our tongues can be used for great good or great evil. In this breakout, students will reflect on how they use their words - online, to friends, to family, and in general. They will learn how to use our words to reflect God's character!
- God's Word Matters: Studying the bible can be intimidating, but it's much simpler than we think or make it out to be. In this breakout, students will learn an extremely practical method to studying God's word.

- Your Ministry Matters: In Paul's instruction to Timothy, he reminds him that God can use him - even at a young age. In this breakout, students will be encouraged in how God can use them right now to impact the kingdom and make disciples around them.

*Students will attend the breakout selected at registration. Once registered, their breakout is secured and no changes will be made during the event. Their breakout and location will print on their sticker on Saturday morning.*

**Free Time:** We want Wake Weekend to have a huge spiritual impact on your students. Learning about Jesus should be transformational.....and fun! Free time is designed to help engage students' interests and provide time with peers to help build gospel centered friendships and biblical community.

Students will have the opportunity to sign up for various tournaments during free time, enjoy the craft room, hang out on the athletic fields, or check out the food and dessert vendors. There is something for everyone to enjoy.

## FOOD

**Friday:** Students should eat dinner before checking in. We will not provide any meals on Friday and we will not have any food available for purchase. Students will receive a *light snack* after the main session. Water will always be available.

*\*Franklin students will eat a provided dinner while traveling on the bus to Wake.*

**Saturday:** Students should eat breakfast before checking in. Chick-Fil-A will be provided for lunch which includes: sandwich, chips, cookie, bottled water. During free time, vendors will be onsite with food, dessert, and coffee available for purchase.

*\*Franklin and Waynesville students who stayed overnight will receive breakfast before the opening session.*

**For Students With Food Allergies:** You should have listed your student's allergy or dietary restriction on their registration. We will provide alternate meal options to accommodate needs.

## SAFETY

The safety and well-being of your student(s) is our highest priority. Trained security personnel will be present on campus throughout the entire event.

All leaders serving with students have completed a thorough onboarding process, which includes: applications, background checks, reference verification, and required policy + safety training.

## COMMUNICATIONS

We will be communicating with you throughout the weekend. You will receive a recap email after the final session on Friday and Saturday. We hope this provides you with some insight on what your Student has learned and also answers any questions you may have for the following day.

If your child makes a profession of faith or has an interest in baptism, we will also be reaching out to you to discuss how we can come alongside you in helping them take their next step.
