Vision:

Join us as we partner with Send Relief in Los Angeles. Send Relief is committed to strengthening the surrounding communities by caring for the large refugee population, protecting children and families, and fighting human trafficking and homelessness. While on this trip, teams will engage in compassion ministry, including food distribution to the broader community and care for both victims and survivors of human trafficking. Participants will also take part in evangelism and invest in building meaningful, Christ-centered relationships with those they serve.

We believe that one day people from every tribe, tongue, and nation will worship God around His throne. The sheer size of Los Angeles calls for considerable strategy in any attempt to reach the city. The city population alone, 3.8 million, is larger than 21 states. We are excited to partner with the work that is already being done to reach those in this city.

What's Expected:

As a team member joining Send Relief, you will be an extension of their presence in the community. You will be helping them establish relationships and have Gospel conversations with families and children of the surrounding communities. Other expectations include:

- **Honoring** - The way you interact with people that are not like you will directly impact their view of Jesus. You must be mindful of the things you say, the way you interact and the way you show honor, in order to not create any barriers of the Gospel being heard.

- **Maintain flexibility** - Scheduled activities are subject to change due to various factors so maintaining a spirit of flexibility allows you to be open to any changes God may have for your team.
- **Care** - Serving on a short-term mission trip is a great way to serve and care for our long-term missionaries. Offering to cook a meal, watching their children so they can go out, cleaning, game nights, etc., are all great ways to care for our missionaries on the field.
- **Show Up** - Be present for all pre-trip and post-trip meetings as well as all in-country activities. We want you to make the most of your time as you engage the nations with the hope of the gospel.
